

INTERNATIONAL HEALTH CONFERENCE

Committee II (Administration and Finance)

Proposal by the Syrian Delegate

The Syrian Delegate, on 26 June 1946, spoke in favour of the Director-General having access to national health administrations about international subjects through the Board.

The following is proposed in substitution of paragraph 4, Section VIII, page 144:

"The Director-General should, in the discharge of his duties, have access through the Board to the National Health Administrations."
