ORGANIZATION OF WORK

UN/CONF/100 A2/MU

1. The CHAIRMAN said that, after consultations with the Legal Office of the United Nations, it had been determined that his ruling at the previous meeting that the result of the voting had been altered by his acceptance of the Turkish delegation's request was incorrect. Instead, the vote would appear in the Commission's report as originally taken, with a foot-note to the effect that the Turkish delegation had asked to change its vote from an abstention to a vote in favour.
2. He also informed the Commission that on consulting the Under-Secretary-General for Conference Services and Special Assignments he had found that it would be possible to resume the session for one day, on 3 July 1979, for the formal adoption of the report.
3. He then suggested that, as agreed at the previous meeting, the official proceedings should be halted and an informal meeting held.
4. It was so decided.

The meeting rose at 3.30 p.m.
