The General Assembly,

1. Takes note of the report of the International Civil Service Commission (A/38/30) on health insurance contributions by the Organization as well as the report of the Secretary-General (A/C.5/38/16) and the comments of the Advisory Committee on Administrative and Budgetary Questions (A/38/7/Add.9) thereon;
2. Requests the International Civil Service Commission, as a matter of priority, to study the experience of the comparator service in providing a range of health insurance plans, both basic and comprehensive, with deductible clauses, as well as health maintenance organization plans, which could be made available at lower expense to the contributors;
3. Recommends to the International Civil Service Commission that it follow the practice of the comparator service on the ratio of contributions by organizations of the United Nations common system for health insurance;
4. Requests the Commission to report to the General Assembly at its thirty-ninth session on the results of its studies and advise on their possible application to the United Nations common system.
