SUBSIDIARY BODY FOR IMPLEMENTATION

Twenty-sixth session

Bonn, 7–18 May 2007

Item 15 (a) of the provisional agenda

Administrative, financial and institutional matters

Budget performance for the biennium 2006–2007

Status of contributions as at 30 April 2007

Note by the secretariat

1. This document contains information on the status of receipt of contributions to the UNFCCC trust funds as at 30 April 2007. For purposes of clarity, the status of contributions to the Kyoto Protocol is reported separately from the status of contributions to the Convention.
2. Table 1 lists all 191 Parties to the Convention and shows the expected and received contributions during 2007 and the net outstanding balances due to the Trust Fund for the Core Budget. Seventy-six Parties have paid their contribution for 2007, which represents 37 per cent of the indicative contributions for this year. Parties are listed in table 2 in 13 groups according to their status of contributions paid to the core budget for the Convention.
3. Table 3 lists all 172 Parties to the Kyoto Protocol and shows the expected and received contributions during 2007 and the net outstanding balances due to the Trust Fund for the Core Budget. Sixty-one Parties have paid their contribution for 2007, representing 46 per cent of the indicative contributions for this year. Table 4 lists Parties in four groups according to their status of contributions paid to the core budget for the Kyoto Protocol.
4. Tables 5 and 6 report on contributions received in the biennium 2006–2007 for the Trust Fund for Supplementary Activities and the Trust Fund for Participation in the UNFCCC Process, respectively. Table 5 also reflects the various fees paid towards the clean development mechanism (CDM) and joint implementation (JI).
