40/226. Assistance to Cape Verde

The General Assembly,

Recalling its resolutions on assistance to Cape Verde, in particular its resolution 39/189 of 17 December 1984, in which the international community was requested to provide an appropriate level of resources for the implementation of the programme of assistance for Cape Verde as envisaged in the reports of the Secretary-General,¹⁵⁶

Recalling United Nations Conference on Trade and Development resolutions 142 (VI) and 138 (VI) of 2 July 1983³⁸ on the progress made in the implementation of the Substantial New Programme of Action for the 1980s for the Least Developed Countries,⁴² and on activities in the field of island developing countries,

Noting that Cape Verde is one of the least developed countries and a small archipelagic State, with a fragile and open economy, aggravated by endemic and severe drought,

Reiterating that increased substantial, continuous and predictable assistance from the international community is needed for the effective completion of the First National Development Plan (1982-1985), which is still being implemented,

Gravely concerned at the critical food situation in Cape Verde resulting from the failure of seasonal rains, the continuing recurrence of drought and the spreading desertification,

Recognizing the strenuous efforts deployed by the Government and people of Cape Verde in the process of the economic and social development of their country despite existing constraints,

1. *Takes note* of the summary report of the Secretary-General;¹⁵⁷

2. *Expresses its appreciation* to the Secretary-General for the efforts deployed in mobilizing resources for the implementation of the programme of assistance for Cape Verde;

assistance for the early implementation of the programme of assistance for Cape Verde;

6. *Invites* the international community, in particular donor countries, to take appropriate and urgent measures to support the effective completion of the First National Development Plan (1982-1985) of Cape Verde;

8. *Once again draws the attention* of the international community to the special account established at United Nations Headquarters by the Secretary-General, in accordance with General Assembly resolution 32/99 of 13 December 1977, for the purpose of facilitating the channelling of contributions to Cape Verde;

9. *Invites* the organs, organizations and bodies of the United Nations system, in particular the United Nations Children's Fund, the United Nations Conference on Trade and Development, the United Nations Development Programme, the United Nations Fund for Population Activities, the World Food Programme, the Food and Agriculture Organization of the United Nations, the World Health Organization, the World Bank, the International Fund for Agricultural Development and the United Nations Industrial Development Organization:

(a) To maintain and expand their programmes of assistance for Cape Verde;

(b) To co-operate closely with the Secretary-General in organizing and carrying out the special programme of economic assistance for Cape Verde;

(c) To bring to the attention of their governing bodies, for urgent consideration, the special needs of Cape Verde;

¹⁵⁶ A/33/167 and Corr.1; A/34/372 and Corr.1; A/35/332 and Corr.1; A/36/265; A/37/124; A/38/216, sect. V; A/39/389.

40/228. Assistance to the drought-stricken areas of Ethiopia

The General Assembly,

Recalling its resolution 39/201 of 17 December 1984 and Economic and Social Council resolutions 1984/5 of 17

May 1984 and 1985/1 of 24 May 1985 on emergency assistance to the drought victims in Ethiopia,

Taking note of the report of the Secretary-General on assistance to the drought-stricken areas of Ethiopia,¹⁵⁹

Noting with appreciation the unprecedented effort made by the Secretary-General to mobilize international humanitarian assistance for the drought victims in Ethiopia,

Noting further with satisfaction the able manner in which the Office for Emergency Operations in Africa has effectively handled its task of co-ordination and the admirable manner in which the organs and organizations of the United Nations system, including the specialized agencies, have carried out their roles,

Having heard the statement made by the Commissioner for Relief and Rehabilitation of Ethiopia on 12 November 1985¹⁶⁰ concerning the current situation in the drought-stricken areas,

Aware that, despite adequate rain, the emergency situation still exists in most parts of the country,

Recognizing that, owing to insufficient agricultural input, full advantage could not be taken of the rain,

Convinced that long-term solutions are imperative in dealing with the root causes of the tragic human drama that has recently unfolded in the disaster-stricken areas,

1. *Commends* the international community for its compassion, solidarity and generous response to the tragic situation in Ethiopia;

2. *Expresses its deep gratitude* to all States, intergovernmental and non-governmental organizations and individuals that have provided emergency humanitarian assistance to Ethiopia;

3. *Commends further* the relentless efforts made by the Secretary-General through the Office for Emergency Operations in Africa, in particular those of the Assistant Secretary-General for Emergency Operations in Ethiopia, in mobilizing and co-ordinating emergency humanitarian assistance for the drought victims in Ethiopia;

4. *Appreciates fully* the unprecedented role played by the organizations and programmes of the United Nations system — in particular, the Food and Agriculture Organization of the United Nations, the World Food Programme, the United Nations Children's Fund, the Office of the United Nations Disaster Relief Co-ordinator, the World Health Organization, the United Nations Development Programme, the World Bank and the International Labour Organisation — which they have carried out in a concerted and efficient manner to save the lives of millions of people in Ethiopia;

5. *Urges* all Member States, organs and organizations of the United Nations system, including the specialized agencies, and non-governmental organizations to assist the Government of Ethiopia in its efforts to provide for the emergency needs of the drought victims and to deal with the problem of medium-term and long-term recovery and rehabilitation;

6. *Requests* the Secretary-General to continue his efforts to mobilize international assistance for relief and rehabilitation, including assistance to the victims of drought who want either to return to their villages of origin or to settle in areas less prone to drought, and to report to the Economic and Social Council, at its first regular session of 1986, on the response of the international community to these efforts.
