Agenda item 150

### CURRENT FINANCIAL CRISIS OF THE UNITED NATIONS

#### Report of the Secretary-General

##### Addendum

1. The attached table provides information on the status of contributions to the United Nations regular budget as at 31 August 1986. It represents an update of the information contained in document A/40/1102/Add.6 and reflects the intention of the Secretary-General to keep all members regularly informed of all relevant events as conveyed to the General Assembly by the President at its 132nd meeting, on 9 May 1986.

2. As stated in the report on the current financial crisis of the United Nations, the critical financial situation confronting the Organization derives mainly from the non-payment of assessed contributions. The measures outlined in the report of the Secretary-General were predicated on the assumption that, against assessed contributions of \$978 million payable as at 1 January 1986 (\$242.4 million for 1985 and prior years and \$735.6 million for 1986), an amount ranging from \$703 million to \$715 million would be collected in 1986. At the end of August an amount of \$569,951,924 has been collected; this reflects collections of slightly over \$2 million during August. Fifty-two Member States have paid their assessments in full as compared with 51 Member States at the end of July and 107 have outstanding contributions. In relation to the amounts of their 1986 assessments, 17 have paid more, 49 have paid the equivalent, 57 have paid less and 36 have made no payments at all.

3. In response to the appeal of the Secretary-General for voluntary contributions to augment the United Nations Special Account, a contribution of \$10 million has been received from the Union of Soviet Socialist Republics, as indicated in document A/40/1102/Add.1 and Corr.1. In June 1986, Togo pledged a contribution of CFA francs 5 million to the Special Account. Bulgaria made a voluntary contribution of \$150,000 on 22 July 1986.

4. Notwithstanding the large effort made by many Member States to expedite their payments, the financial crisis remains acute and does not permit any modification in the measures set forth in the Secretary-General's report A/40/1102 as agreed to by the General Assembly in its decision 40/472 of 9 May 1986. The Secretary-General would therefore take this occasion to urge again, as the President of the General Assembly also did in his statement on 9 May 1986, that all Member States promptly pay all their duly assessed contributions. He would also reaffirm the need for voluntary contributions to the United Nations Special Account.

5. Further information on this subject will be provided to the General Assembly at its forty-first session.
