Agenda item 61 (e)

REVIEW AND IMPLEMENTATION OF THE CONCLUDING DOCUMENT OF THE
TWELFTH SPECIAL SESSION OF THE GENERAL ASSEMBLY: FREEZE ON
NUCLEAR WEAPONS

India: draft resolution

The General Assembly,

Recalling its resolutions 37/100 A of 13 December 1982, 38/73 B of 15 December 1983, 39/63 G of 12 December 1984 and 40/151 E of 16 December 1985 entitled "Freeze on nuclear weapons",

Convinced that in this nuclear age lasting world peace can be based only on the attainment of the goal of general and complete disarmament under effective international control,

Further convinced that the highest priority objectives in the field of disarmament have to be nuclear disarmament and the elimination of all weapons of mass destruction,

Recognizing the urgent need to halt the arms race, particularly in nuclear weapons,

Recognizing further the urgent need for a negotiated reduction of nuclear-weapon stockpiles leading to their complete elimination,

Noting with deep concern that nuclear-weapon States have not so far taken any action in response to the call made in resolutions 37/100 A, 38/73 B, 39/63 G and 40/151 E,

1. Once again calls upon all nuclear-weapon States to agree to a freeze on nuclear weapons, which would, inter alia, provide for a simultaneous total stoppage of any further production of nuclear weapons and a complete cut-off in the production of fissionable material for weapons purposes;

2. Decides to include in the provisional agenda of its forty-second session the item entitled "Freeze on nuclear weapons".
