Reaffirming that children's rights require special protection and call for continuous improvement of the situation of children all over the world, as well as their development and education in conditions of peace and security,

Profoundly concerned that the situation of children in many parts of the world remains critical as a result of inadequate social conditions, natural disasters, armed conflicts, exploitation, hunger and disability, and convinced that urgent and effective national and international action is called for,

Mindful of the important role of the United Nations Children's Fund and the United Nations in promoting the well-being of children and their development,

Convinced of the positive contribution of an international convention on the rights of the child as a standard-setting accomplishment of the United Nations, in the field of human rights, to protecting children's rights and ensuring their well-being,

Noting with satisfaction the widespread interest in the elaboration of an international convention on the rights of the child displayed by a great number of Member States representing all geographical regions and socio-political systems, as well as by governmental and non-governmental international organizations,

Noting with appreciation that further progress was made in the elaboration of a draft convention on the rights of the child during the forty-second session of the Commission on Human Rights,

1. Welcomes Economic and Social Council resolution 1986/40, in which the Council authorized a meeting of an open-ended working group of the Commission on Human Rights for a period of one week prior to the forty-third session of the Commission in order to facilitate completion of the work on a draft convention on the rights of the child;

2. Requests the Commission on Human Rights to give the highest priority to, and to make every effort at its forty-third session to complete, the draft convention and to submit it, through the Economic and Social Council, to the General Assembly at its forty-second session;

3. Invites all Member States to offer their active contribution to the completion of the draft convention on the rights of the child at the forty-third session of the Commission;

4. Requests the Secretary-General to provide all necessary assistance to the working group in order to ensure its smooth and efficient work in the fulfilment of its important task;

5. Decides to include in the provisional agenda of its forty-second session the item entitled "Question of a convention on the rights of the child".
