*The printed Official Records of the sixth session of the General Assembly are being published in fascicule form, that is, the record of each meeting will be issued separately as soon as possible. These will be so produced that they may eventually be bound into volumes, by organ and session. Pagination will therefore be continuous throughout each series of fascicules representing the records of a single body, and at the end of the table of contents, list of members attending, initial agenda, and other prefatory material. This prefatory fascicule should be placed in front of the record of the opening meeting, before binding. For ease of recognition the fascicules of the opening and closing meetings will be clearly identified as such in the masthead.*

*After the close of the session, sets of fascicules, collated and bound, will be placed on sale for the general public.*
