CORRIGENDUM

Page 10, paragraph 27: Delete the last two sentences of paragraph 27 and substitute the following:

"The USSR representative, considering for his part that the International Court of Justice was not competent to give an advisory opinion on this question, proposed an amendment (A/C.6/L.127) to the joint proposal, deleting the request for an advisory opinion. A separate vote was taken, however, on the first paragraph of the resolution, thus meeting the object of the Soviet amendment."
