Letter dated 8 October 1970 from the Chairman of  
the Fourth Committee to the President of the

I have the honour to inform you that, at its 1877th meeting, on 8 October 1970, the Fourth Committee considered agenda item 65 (Question of Fiji), which had been allocated to it by the General Assembly for consideration and report. The Committee completed its consideration of the item at that meeting by taking note with satisfaction that Fiji was about to achieve the goals laid down in the Charter of the United Nations and the Declaration on the Granting of Independence to Colonial Countries and Peoples and extending to the people of Fiji congratulations and best wishes for peace and prosperity in the future.
