Report of the Fifth Committee

Rapporteur: Mr. B.G. FOURIE (Union of South Africa)

In accordance with rule 152 of the rules of procedure of the General Assembly, the Fifth Committee at its 283rd meeting held on 14 December 1950 considered the financial implications of the draft resolution proposed by the ad hoc Political Committee concerning the question of an international regime for the Jerusalem area and protection of the Holy Places. The Committee by 30 votes to 1 with 6 abstentions approved the estimate of \$30,600 submitted by the Secretary-General and concurred in by the Advisory Committee on Administrative and Budgetary Questions. It therefore decided to inform the General Assembly that adoption of the draft resolution of the ad hoc Political Committee would require additional budgetary provision in 1951 amounting to \$25,600 under Section 5 and \$5,000 (for contractual printing) under Section 25.
