PERMANENT STAFF REGULATIONS OF THE  
UNITED NATIONS

Report of the Fifth Committee

Rapporteur: Mr. B.G. FOURIE (Union of South Africa)

1. In accordance with instructions given by the General Assembly at its 285th plenary meeting, the Fifth Committee, at its 282nd meeting held on 13 December 1950, considered the question of permanent staff regulations for the United Nations. As a basis for such consideration, the Committee had before it a report of the Secretary-General (A/1360) to which was annexed a set of draft permanent regulations recommended by the Secretary-General for adoption in place of the provisional regulations currently in force.
2. In view of the fact that pressure of more urgent business had made it impossible for the Committee to give this important matter the careful and thorough consideration it merited and in order that the new salary, allowance and leave arrangements decided upon might first be implemented, it was agreed that adoption of permanent regulations should be deferred until the sixth regular session. It was also agreed that the Advisory Committee on Administrative and Budgetary Questions should be requested to examine the proposals of the Secretary-General and to report thereon to the General Assembly.
3. The Fifth Committee therefore decided to recommend to the General Assembly the adoption of the following resolution:

PERMANENT STAFF REGULATIONS OF THE UNITED NATIONS

The General Assembly,

Taking note of the administrative problems arising out of the changes proposed in the United Nations salary, allowance and leave system for 1951,

1. Resolves that consideration of the question of permanent staff regulations be deferred until the sixth regular session of the

2. Requests the Advisory Committee on Administrative and Budgetary Questions to examine the proposals presented by the Secretary-General on this matter (A/1360) and to report thereon to the General Assembly at its sixth session.
