IMPLEMENTATION OF THE DECLARATION ON THE GRANTING OF  
INDEPENDENCE TO COLONIAL COUNTRIES AND PEOPLES

Letter dated 25 January 1973 from the President of the  
General Assembly to the Secretary-General

At its 2114th plenary meeting, on 18 December 1972, the General Assembly decided to authorize me in my capacity as President of the Assembly to continue consultations and to fill as soon as possible the remaining vacancy on the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

On the basis of consultations undertaken pursuant to the above decision, I have appointed Australia as a member of the Special Committee.
