INFORMATION FROM NON-SELF-GOVERNING TERRITORIES

Financial implications of the draft resolution proposed by
the Fourth Committee (A/C.4/L.59, Resolution IX)

Twenty-fifth report of 1949 of the Advisory Committee
on Administrative and Budgetary Questions

1. In accordance with a decision taken by the Fifth Committee at its 227th meeting on 22 November 1949, the Advisory Committee on Administrative and Budgetary Questions has considered the note by the Secretary-General (A/C.5/360) on the financial implications for the year 1950 of the draft resolution proposed by the Fourth Committee on the subject of the periodical publication of information from Non-Self-Governing Territories (A/C.4/L.59, Resolution IX).
2. The Advisory Committee notes that the data to be published under the terms of the draft resolution will be complementary to the triennial summaries and analyses of information transmitted under Article 73 e of the Charter, as well as to the annual supplements required under General Assembly resolution 218 (III) of 3 November 1948.
3. The cost of printing this additional material is estimated for the year 1950 at \$12,250.
4. The Advisory Committee recommends that the estimate of \$12,250 be approved, on the understanding, which it notes with satisfaction, that the Secretary-General will endeavour to absorb the cost within the existing appropriation for section 12 of the Budget Estimates.
