ORGANIZATION OF WORK

5. The CHAIRMAN drew the Committee's attention to the letter from the President of the General Assembly (A/AC.6/42/1) indicating the 14 topics allocated to the Sixth Committee, and the note by the Secretariat (A/C.6/42/L.1) on the organization of the Committee's work. As both documents had been distributed only just before the meeting, he took it that representatives would prefer to hold consultations on the organization of work before taking any decisions.
6. After a procedural debate in which Mr. Schricke (France), Mr. Francis (Jamaica) and Mr. Gaudreau (Canada) took part, the Chairman suggested that the consultations on the organization of work should be held before the next meeting.
7. It was so decided.

The meeting rose at 3.50 p.m.
