Non-resident's Allowance: \$200 per annum, net (to be included in pensionable remuneration).

In no case shall the amount of the non-resident's allowance, when added to the staff member's salary (exclusive of language allowance, if any), bring the total to more than \$5,990 after staff assessment.

Dependency Allowances:

	\$
Dependent spouse.....	300
Dependent child.....	250
except for first dependent child of a widowed or divorced staff member. . .	400
Secondary dependant.....	200

Increments: Salary increments within the levels shall be awarded annually, on the basis of satisfactory service.

Note: The purpose of this revision is to establish "half-gross" for pension purposes. No change is made in the gross salaries established as from 1 October 1960; however, the non-resident's allowance is no longer subject to staff assessment. Appropriate rounding has been introduced in establishing the "half-gross" rates.
