UNITED STATES OF AMERICA: DRAFT RESOLUTION

THE ECONOMIC AND SOCIAL COUNCIL

HAVING CONSIDERED the International Civil Aviation Organization's request for the extension to its officials of the right to use the United Nations "laissez-passer" in accordance with the provisions of Section 28 of the General Convention on the Privileges and Immunities of the United Nations; and

CONSIDERING that the work of the specialized agencies would be facilitated if their officials were granted the right to use the United Nations "laissez-passer" and that the International Bank, the International Monetary Fund, the World Health Organization and the International Telecommunications Union have been formally granted that right under their agreements with the United Nations as approved by General Assembly Resolution No. 124 (II);

AUTHORIZES the Secretary-General to conclude supplementary agreements conferring this right upon those specialized agencies which have not yet been granted this right;

DECIDES that this supplementary agreement, which may take effect provisionally on the date of signature be submitted for final approval to the General Assembly at its next regular session.
