1. Mr. BARANOVSKY (Ukrainian Soviet Socialist Republic) nominated Mr. Outrata (Czechoslovakia).
2. Mr. KATZ-SUCHY (Poland) supported the nomination.

*The printed Official Records of the fifth session of the General Assembly are being published in fascicle form, that is, the record of each meeting will be issued separately as soon as possible. These will be so produced that they may eventually be bound into volumes, by organ and session. Pagination will therefore be continuous throughout each series of fascicles representing the records of a single body, and at the end of the session there will be issued, for each series, a prefatory fascicle containing a title page, table of contents, list of members attending, initial agenda, and other prefatory material. This prefatory fascicle should be placed in front of the record of the opening meeting, before binding. For ease of recognition the fascicles of the opening and closing meetings will be clearly identified as such in the masthead.*

*After the close of the session, sets of fascicles, collated and bound, will be placed on sale for the general public.*
