"7. On 20 April 1949 the Secretary-General received a communication from the permanent representative of Bolivia to the United Nations, the text of which reads as follows:

SG-41/49

April 19, 1949

The Permanent Representative of Bolivia to the United Nations presents his compliments to the Secretary-General of the United Nations and kindly requests, in behalf of his Government, that the Commission created to study the matter of chewing the coca leaf, which is leaving for Peru during next June, would extend its investigations in the Bolivian country.'

"On 5 May 1949, the Secretary-General informed the permanent representative that his request would be transmitted to the Commission on Narcotic Drugs during its fourth session and to the Economic and Social Council during its ninth session and drew his attention to the fact that it was not foreseen that the Commission of Enquiry would leave for Peru before September 1949."
