#### Conventional disarmament on a regional scale

The General Assembly,

Reaffirming its resolution 40/94 of 12 December 1985,

Taking note of the Final Declaration of the Extraordinary Ministerial Meeting of the Co-ordinating Bureau of the Movement of Non-Aligned Countries of Latin America and the Caribbean, held at Georgetown in March 1987,

Taking into account its resolution 41/59 M of 3 December 1986,

1. Reiterates its adherence to resolution 40/94 A relating to conventional disarmament on a regional scale;
2. Expresses its firm support of all regional or sub-regional endeavours, taking into account the characteristics of each region and when the regional situation so permits, as well as unilateral measures, directed to strengthening mutual confidence and to assuring the security of all States involved, making possible regional agreements on arms limitations in the future;
3. Further reiterates the primary responsibility of the militarily significant States, especially the nuclear-weapon States, for halting and reversing the arms race, and the priority assigned to nuclear disarmament in the context of the advances towards general and complete disarmament.
