Paragraph 10:

The French text is correct. The English text includes the word "perceived", which should be deleted, as should the equivalent translation of this word in Russian.

Paragraph 32:

Fifth line, replace "peut-être" by "à son avis" (concerns the French text only).

Paragraph 46:

Replace "harmonisation" by "réconciliation" (concerns the French text only).

Paragraph 49:

In the French version, the last word in the paragraph is "réduits" (reduced). This word and its translation in the English and Russian texts should be deleted and replaced by "appliqués" (applied).
