### 1999 年 3 月 3 日欧洲联盟主席团就尼日利亚总统选举发表的声明

欧洲联盟欢迎 1999 年 2 月 27 日尼日利亚举行的总统选举。这次选举是在建立经民主选举的文职政府道路上前进的一个重要步骤,此前该国经历了 15 年的军事统治,这一统治将在 1999 年 5 月 29 日向民主选举产生的文职总统移交政权时宣告结束。

欧洲联盟感到庆幸的是:根据其观察员所转达的信息,选举是在多党制和普遍投票基础上组织的,它所依据的是民主原则。欧洲联盟向尼日利亚人民表示祝贺,因为这次选举是在开放的精神下、并且是和平进行的。它要求所有有关各方接受这一选举,并尊重选举的结果。一般说来选举结果反映了尼日利亚人民的愿望。欧洲联盟满意地注意到:尽管时间短促、组织条件很困难,独立的选举委员会还是良好地组织了这次选举,使大多数尼日利亚选民能够表达他们的意志。然而,人们注意到出现了某些严重的不正常现象,应就此进行调查。

欧洲联盟了解:新选出的总统及其政府将面临极其重大的任务。它向尼日利亚人民和政府保证:欧洲联盟愿意继续促进政治和经济改革,并准备和新政府进行合作,以便加强法制国家、促进人权以及对尼日利亚公共事务的良好管理。欧洲联盟希望:新政府能够为了全国的利益,促使过去曾经对立的所有各方和解,并能使尼日利亚走向更加美好的未来,使该国能在各国和各国人民的国际社会中发挥应有作用。

中欧和东欧国家作为欧洲联盟的联系成员国、同为联系成员国的塞浦路斯以及欧洲经济区的欧洲自由贸易联盟成员国也赞同这项声明。

- in addition to the representatives of the Republic of Guinea, and Malaysia.
- III- Their Excellencies the Ministers and representatives of the Member States on the Committee made a close evaluation of the situation in the city of Al-Quds Al-Sharif and the occupied Palestinian and Arab territories, and of the critical stage through which the peace-process in the region is going due to Israel's persistence in its colonialist and expansionist policies in the city of Al-Quds and the Palestinian territories, its terrorist practices against the Palestinian people, and its violation of the resolutions of international legality, a policy which threatens to undermine the peace process.
- IV- The Committee decided to submit the following recommendations to the OIC Annual Coordination Meeting of Foreign Ministers of the OIC Member States:-
- 1- To continue Member States' support to the PLO and backing of its position in the negotiations with Israel aimed at establishing the PLO sovereignty over the entire Palestinian territories, including Al-Quds Al-Sharif, since these territories constitute an integral geographic unit, and at fulfilling the inalienable and imprescriptible national rights of the Palestinian people, including their rights of return, self-determination and

/...

establishment of their own independent State on national soil with Al-Quds Al-Sharif as its capital.

- 2- To continue to support the peace process in the Middle East and the implementation of the agreements signed in its framework between the concerned parties as well as all the commitments and pledges made on the basis of the principles underpinning the initiation of the peace process in Madrid, particularly the principle of "land for peace" and the relevant resolutions of the United Nations and primarily resolutions 242, 338 and 425 of the Security Council which call on Israel to withdraw from all the occupied Palestinian and other Arab territories including Al-Quds Al-Sharif, from the occupied Syrian Golan to the line of 4 June 1967, and from the occupied Lebanese territories, and to fulfill the inalienable and imprescriptible national rights of the Palestinian people.
- 3- To affirm that Al-Quds Al-Sharif forms an integral part of the Palestinian territories occupied in 1967 and is subject to the same provisions as the rest of the occupied territories in accordance with the resolutions of the Security Council and the UN General Assembly. To make every effort to put an end to all the measures and practices being carried out by the Israeli occupying authorities in the holy city to change its geographic and demographic status as well as to the violations of Islamic and Christian shrines there, which are aimed at judaizing the holy city. To call for concerted efforts to ensure the return of Al-Quds Al-Sharif to Palestinian sovereignty as the capital of the State of Palestine.
- 4- To call on the Security Council to put its resolutions on the protection of the status of Al-Quds into effect, develop a mechanism for implementing its recent Resolution No. 1073 (1996) and take the necessary steps for the Security Council to continue implementation of the content of the presidential statement issued by the Security Council on July 13, 1998, including adoption of appropriate resolutions and measures in compliance with the UN Charter, considering that the steps taken by Israel in Al-Quds constitute a violation of the basic principles of peace in the Middle East as well as a threat to international peace and security and an act of aggression.
- 5- To urge all countries to comply with Security Council resolution 478 (1980) calling on them to refrain from moving their diplomatic missions to the city of Al-Quds and to avoid dealing with the Israeli occupation authorities in a manner that may be

construed in any way as a tacit recognition of the fait accompli imposed by Israel in considering the city of Al-Quds as its capital. To reject the recommendation made by the U.S. House of Representatives for the recognition of al-Quds as the unified capital of Israel, and for the transfer of the American Embassy to Al-Quds.

- 6- To urge the Islamic States which have initiated steps towards establishing relations with Israel in the framework of the peace process to reconsider such relations, including the closure of their missions and offices, until Israel complies with United Nations resolutions and implements the agreements, pledges and commitments reached by the concerned parties to the peace process, in accordance with the principles laid down by the Madrid Conference, the Oslo Agreement, and the other accords concluded with the Palestine Liberation Organisation.
- 7- To condemn Israel's persistence in its expansionist colonization policy in the city of Al-Quds Al-Sharif and the other occupied Palestinian and Arab territories; to consider this policy as contrary to all international resolutions including Security Council resolution 465, to the principles of international law which consider all the settlements established or to be established by Israel as null and void, and also contrary to the agreements signed between the Palestinian and the Israeli parties, a policy which constitutes a real and serious threat to the entire peace process; and to call on the international community and, in particular, the two co-sponsors of the Peace Conference and the States of the European Union to compel Israel to stop all settlements activities.
- 8- To request the Security Council to revive the International Supervision and Control Commission to prevent colonization in Al-Quds and other occupied Palestinian and Arab territories, in accordance with resolution 446.
- 9- To make every effort in the United Nations and other international institutions and fora to induce Israel to release the detainees, put an end to the method of collective punishment, stop the confiscation of land and property and the demolition of houses, lift the economic blockade imposed on the Palestinian areas; and desist from all inhuman measures and practices against the Palestinian people.
- 10- To call for a more effective participation of the United Nations in promoting the success of the Middle East peace process; and to emphasize the continued and constant responsibility of the United

/...

Nations towards the Palestine question until a just and comprehensive settlement is reached guaranteeing the end of occupation and the exercise of the inalienable and imprescriptible national rights of the Palestinian people.

- 12- To ensure that the accreditation of Israel's delegation to the U.N. General Assembly shall not apply to the representation of the Arab and Palestinian territories occupied in 1967 including Al-Quds Al-Sharif.
- 13- To emphasize the continued responsibility of the United Nations Relief and Works Agency for Palestinian Refugees in the Near East (UNRWA) for carrying out the tasks assigned to it for the benefit of the Palestinian people wherever they may be by virtue of the relevant resolution of the UN General Assembly; and to invite the Member States to call on the UN Secretary General to ensure that the Conciliation Commission, in cooperation with UNRWA and the concerned countries, shall take a census of the Palestinian refugees and their properties, and prepare a comprehensive conceptual design for solving their problems on the basis of their right of return to their homeland Palestine pursuant to the international resolution No. 194.
- 14- To call on the United Nations to despatch a "fact-finding mission" to investigate the status of Palestinian lands, their uses, the revenues derived therefrom, the violation of their property rights, and their exploitation, and to obtain full copies of all documents and maps relating to the lands held by the Israeli administration. To make every conceivable effort to ensure implementation of the UN General Assembly resolution No. 43/57(H) of 6 December 1988 on the revenues derived from Palestinian refugee properties,

/...

which "requests the Secretary General to take all appropriate steps, in consultation with the United Nations Conciliation Commission for Palestine, for the protection and administration of Arab property, assets and property rights in Israel and to establish a fund for the receipt of income derived therefrom, on behalf of the rightful owners". And to call on the United Nations to appoint a permanent superintendent for those properties, who would submit a periodic report to the U.N. on the status and protection of those properties until the return of their owners.

- 15- To continue the efforts made to ensure implementation of the two Security Council resolutions Nos. 237 (1967) and 338 (1973) and the relevant U.N. resolutions on the return of the displaced persons.
- 16- To coordinate the positions of Member States so as to preserve the principled stand of the OIC in respect of all the resolutions on the question of Palestine and the Arab-Israeli Conflict, which are submitted for discussion during the current session of the UN General Assembly.
- 17- To welcome the invitation extended by the Swiss Government to hold, before the end of the current year, a meeting of the High Signatory Parties to the 4<sup>th</sup> Geneva Convention of 1949 relative to the Protection of Civilian Persons in Time of War to take the necessary measures for the implementation of the Convention in the occupied Palestinian territories, including the city of Al-Quds Al-Sharif, and to call on the Member States to take part in the said meeting.

Annex V

**MEMORANDUM PRESENTED BY TRUE REPRESENTATIVES  
OF THE KASHMIRI PEOPLE TO THE MINISTERIAL MEETING  
OF THE OIC CONTACT GROUP ON JAMMU AND KASHMIR  
- NEW YORK, 28 SEPTEMBER 1998**

The Kashmiri representatives:

Recalling the relevant resolutions of the United Nations Security Council upholding the right of self-determination of the people of Jammu and Kashmir;

Noting that the year 1998 marks the 50th anniversary of the passing of the UN resolutions on Jammu and Kashmir which still remain unimplemented due to India's intransigence and failure to abide by its international obligations in violation of the UN Charter.

Noting also that the year 1998 marks the 50th anniversary of the Universal Declaration of Human Rights adopted by the UN General Assembly on 10 December 1948;

Condemning the gross and systematic violations of the human rights of Kashmiri people by Indian forces;

Expressing deep alarm at the continuing deterioration of the security situation in the region as a result of the nuclearisation of South Asia by India and the Indian threat of use of nuclear weapons to settle the Jammu and Kashmir dispute;

Reaffirming the right of the Kashmiri people to self-determination;

Demand that the Government of India honour and redeem its pledges with Kashmiri people in accordance with the relevant UN Security Council resolutions;

Condemn the serious crimes and inhuman atrocities of genocide, massacre, extrajudicial killings, reprisal killings, arbitrary detention, torture, use of rape as an instrument of suppression, burning of houses, villages and townships, and destruction and desecration of holy places, committed by the Indian Government, through its military and paramilitary personnel, renegades and mercenaries in Jammu and Kashmir during the last nine years;

Recall with grief and sorrow that over 60,000 innocent Kashmiri men, women and children have embraced martyrdom and thousands have been incarcerated, tortured, raped and maimed by Indian security forces and their hired renegades and mercenaries in Jammu and Kashmir;

Affirm that despite the deployment of nearly 700,000 Indian troops in Jammu and Kashmir, massive repression of unarmed civilians, including women and children, and destruction of the economic means for productive employment, the Indian Government has failed to crush the will of the people of Jammu and Kashmir;

/...

Reaffirm their total rejection of the efforts by India to institute the so-called "political process" and farcical elections in occupied Jammu and Kashmir the sole purpose of which is to deny the Kashmiri people their right of self-determination;

Recall that the Security Council has clearly enunciated that, on the basis of the agreement concluded between India and Pakistan, "the final disposition of the State of Jammu and Kashmir will be made in accordance with the will of the people expressed through the democratic method of a free and impartial plebiscite conducted under the auspices of the United Nations";

Also recall that the United Nations Security Council had declared that the creation of a Constituent Assembly or holding of any elections in Jammu and Kashmir by the Indian Government would not be a substitute for a fair and impartial plebiscite mandated by the Security Council to determine the will of the people of Kashmir;

Express deep concern at the induction of additional troops and deployment of an elaborate apparatus by India to terrorize and coerce the people of Jammu and Kashmir into submission;

Express alarm over the intensified campaign of repression, intimidation and persecution launched against the leaders of All Parties Hurriyet Conference to quell their opposition to the imposed elections and fraudulent political process.

Condemn the use by India of renegades and mercenaries to harass, persecute and intimidate the people of Kashmir;

Express serious concern at the alarming increase in the number of unprovoked violations of the Line of Control (LOC) by the Indian armed forces which have become a regular feature along the LOC;

Also express deep alarm over the cross-LOC acts of terrorism being sponsored by the Indian government and its agents in Azad Jammu and Kashmir which have resulted in the killing of a high number of innocent civilians;

Resolve that the people of Jammu and Kashmir shall continue the just and legitimate struggle for their freedom and the realization of their right of self-determination;

Welcome the call by the international community to Pakistan and India to urgently address the root cause of the tensions and hostilities in the region through the just settlement of the Jammu and Kashmir dispute.

Endorse and support the efforts of the Government of Pakistan to find a peaceful solution to the Kashmir issue by all available means;

Call on the OIC Contact Group on Jammu and Kashmir to:

- a. Impress upon the Indian government to end its campaign of repression and

immediately release all Kashmiri detainees;

- b. Further impress upon the Indian Government to desist from exacerbating tension in Jammu and Kashmir and between India and Pakistan by staging and imposing a farcical political process and to once again remind the Indian Government that in Resolutions 91(1951) and 122 (1957), the UN Security Council unambiguously affirmed that "any action that (the Indian Government) may have taken, or might attempt to take to determine the future shape and affiliation (of Jammu and Kashmir) would not constitute a disposition of the Stat".
- c. Request the Organization of the Islamic Conference to renew to the Government of India its offer of sending its fact finding and good offices missions to Jammu and Kashmir.
- d. Urge the United Nations to hold a plebiscite in Jammu and Kashmir, without further delay, in accordance with the UN Security Council resolutions.
- e. Request the UN Secretary General to initiate a process of mediation to pave the way for the holding of a plebiscite in Jammu and Kashmir as laid down by the United Nations Security Council.
- f. Urge the United Nations Security Council to ask India to withdraw its army of occupation from Jammu and Kashmir and honour its legal obligations to the Kashmiri people in accordance with the relevant UN Security Council Resolutions.
- g. To request the OIC Secretary General to appoint a Special Representative on Jammu and Kashmir.
- h. Further urge the international community to put pressure on India to give full access to international human rights organizations to visit Jammu and Kashmir and to cease forthwith the massive human rights violations of the Kashmiri people.
- i. Encourage the Government of Pakistan to continue its efforts for a peaceful solution of the Kashmiri issue keeping in view the sentiments of the Kashmiri people, through all possible means, including a substantive and meaningful dialogue with India.

Appeal to all peace loving people and nations of the world to help and support the people of Jammu and Kashmir in their struggle for the realization of their right to self-determination promised to them under the UN Security Council resolutions.
