INTERNATIONAL HEALTH CONFERENCE

SECTION XVII - RELATIONS WITH OTHER ORGANIZATIONS

PROPOSAL BY THE U.S. DELEGATION (AMENDED TEXT) - COMMITTEE III ON RELATIONSHIPS WITH THE UNITED NATIONS AND OTHER ORGANIZATIONS

1. Relations with the United Nations

(a) The Organization shall be brought into relationship with the United Nations as soon as practicable as one of the specialized agencies referred to in Article 57 of the Charter of the United Nations, through the conclusion of an agreement with the United Nations, in accordance with Article 63 of the Charter, which agreement shall be subject to approval by a two-thirds vote of the Conference. The agreement shall provide for effective co-operation between the two organizations in the pursuit of their common purposes, and at the same time shall recognize the autonomy of the organization within the fields of its competence as defined in its constitution.

(b) The Organization shall establish effective relationships with such other specialized inter-governmental organizations as may be desirable.

(c) The Organization may make suitable arrangements for consultation and co-operation with international non-governmental organizations and, with the consent of the State concerned, with national organizations.

(d) The Organization may, subject to the approval of two-thirds of the Conference, assume such functions and acquire such resources of any other international organization or agency whose purposes and functions lie within the competence of this Organization as may be conferred upon the Organization by international agreement, or as may be conferred upon the Organization through mutually acceptable arrangements entered into between the competent authorities of the respective organizations.

(e) The Conference shall prescribe the procedure necessary for the execution of the provisions of this Article.
