Notes: 1. For technical reasons, budgetary figures are presented instead of actual expenditures.

2. Details may not add to the totals due to rounding.

3. "Personnel (row 1.1)" includes foods for uniformed personnel.

4. For technical reasons, the expenditures for the United States forces stationed in Japan are included in the figures presented under column 6 (Support).

Part II

1. In order to approximate the opportunity costs of using conscripts in the military sector, the following information is requested:

(a) The average civilian wage rate that the conscripts would have been likely to obtain during the reporting year if they had not been occupied in the military sector.

Answer: Not applicable .....  
(wage per period of time, currency unit)

If such an estimate is not available, respondents are requested to suggest an average civilian wage rate that may be readily available and that the respondents believe might serve as a reasonable measure of opportunity costs.

(b) The number of man-years devoted by conscripts to military service during the reporting year concerned.

Answer: Not applicable .....  
(number of man-years)

2. With reference to point (d) of the specific guidelines above, respondents are requested to give below the total amount of military assistance received from abroad during the reporting year. The amount should be given in the same denomination and currency as used in the matrix, preferably converted from foreign currencies to national currency at average annual market or par value exchange rate as reported by the International Monetary Fund.

Answer: None .....  
(amount)

3. With reference to points (n) and (o) above, the requested information should be reported here in the same value terms as used in the matrix. It is requested that total expenditures, at least, and preferably detailed by type of force group as in columns 1 to 12 of the matrix, be reported for the following items:

Depletion of ammunition: Not available .....

Sales from the military sector of:

- (a) Land ..... Not available .....
- (b) Real estate other than land ... Not available .....
- (c) Equipment ..... Not available .....
- (d) Services ..... Not available .....
- (e) Other ..... Not available .....
