*Recalling also* its resolution 3362 (S-VII) of 16 September 1975 on development and international economic co-operation, in particular section II, paragraph 5, thereof, in which it stressed that, in order to enlarge the pool of resources available for financing development, there was an urgent need to increase substantially the capital of the World Bank Group, in particular the resources of the International Development Association, to enable it to make additional capital available to the poorest countries on highly concessional terms,

*Taking note* of the statement made by the President of the World Bank Group at the annual meeting of the Board of Governors held at Manila from 4 to 8 October 1976, in which he referred to the need for a substantial increase in the resources of the International Bank for Reconstruction and Development and the International Development Association, to enable those institutions to continue to expand their lending to developing countries,

*Recalling further* its resolution 3387 (XXX) of 13 November 1975 in which it emphasized that the fifth replenishment of the International Development Association should promote a substantial increase in real terms in the resources of the Association,
