(c) Specify the amounts to be set aside for programme support and administrative costs;

5. The programme submission shall be accompanied by a plan containing estimates of future resources and their proposed apportionment. This plan shall cover two years, that of the programme and the following year.

6. The Board shall approve the programme and authorize the allocation of funds in the manner prescribed in section III, paragraph 3, of the annex to General Assembly resolution 31/202.

11. The project document shall:

(a) Describe all financial, technical, managerial and other resources required for the successful implementation of the project;

(b) Include a work plan and any special arrangements applicable to the execution of the project;
