PETITION FROM MR. COSTAS A. MAZIS CONCERNING RUANDA-URUNDI
(T/PET.3/71)

Observations of the Belgian Government as Administering Authority

Since the first part of the petition contains nothing new, the Administering Authority can only refer to its observations on Mr. Mazis' petition T/PET.3/60 and Add.1-5.^{1/}

The Administering Authority emphasizes, however, that Mr. Mazis was not expelled. He was repatriated to Athens at the charge of the public welfare authorities of the Colony on the SABENA aircraft which left Usumbura on 1 October last. Mr. Mazis was repatriated at his own request and after an approach had been made by the Royal Greek Legation in Brussels.

The second part of the petition consists of a series of vague and baseless allegations to which the Administering Authority cannot possibly reply.
