Sir,

As a result of an interview kindly granted to us by the United Nations  
Visiting Mission we learnt that a meeting on Ruanda and Urundi to be attended by  
representatives of the peoples concerned would be held shortly in Belgium.

We fully endorse this step which we ourselves advocated in the proposals  
submitted by our party to the Visiting Mission.

The Union Nationale Ruandaise is therefore ready to send representatives to  
that meeting.

I have the honour to be etc.
