The Director,
United Nations Information Centre,
Port Moresby, Papua

Dear Sir,

At our recent Regional Conference held here in Mount Hagen one agenda item concerned Self-Government for the Territory.

After considerable discussion the following motion was passed:

"That the next visiting United Nations Mission be invited to visit the Highlands and attend Council Meetings in order to hear the opinions of the people re Self Government."

Your advice would be appreciated.

Yours faithfully

(Signed) F. R. THIELE
Chairman
