The General Assembly,

Having considered the composition of the Secretariat and the long-term recruitment plan,

Being concerned, in accordance with Article 8 of the Charter, to ensure that no restrictions are placed on the eligibility of men and women to participate in any capacity and under conditions of equality in the work of the Secretariat,

Being concerned also to avoid any discrimination between staff members on grounds of sex,

Requests the Secretary-General to submit to the General Assembly at its twenty-eighth session a study on those provisions of the Staff Regulation whose application might, in certain cases, give rise to discrimination between staff members on grounds of sex.
