BUDGET ESTIMATES FOR THE FINANCIAL YEAR 1958

Working Capital Fund

Canada: draft resolution

The General Assembly,

Having considered the need for financing budgetary appropriations pending the receipt of contributions, and taking into account the pattern of payments of contributions,

Believing that the financial situation in this respect would be alleviated by changing the date of the annual repayment made to the United States under the Loan Agreement between the United States and the United Nations of 23 March 1948;

Authorizes the Secretary-General to conclude an agreement with the United States modifying paragraph 4 of the above-mentioned Agreement so that the date of September 1st is substituted for July 1st for the years 1958 through 1982.
