United States of America: amendment to draft resolution [A/C.3/75/L.6/Rev.1](#)

Strengthening national and international rapid response to the impact of the coronavirus disease (COVID-19) on women and girls

Amend operative paragraph 5 to read:

5. *Encourages* Member States to take the necessary measures to implement people-centred, gender-sensitive, with full respect for human rights, context-specific, whole-of-government and whole-of-society, and prevention-oriented responses when designing their health preparedness and response plans for COVID-19, outlining both immediate and long-term actions, taking into account the direct and indirect impacts on women and girls' health and their specific needs, including by:
