Letter dated 23 November 2020 from the Permanent Representative of Saudi Arabia to the United Nations addressed to the President of the Security Council

Upon instructions from my Government, I am writing in regard to the terrorist attack on one of the oil derivatives distribution stations in Jeddah, Saudi Arabia. It has been identified that the Houthis militia backed by Iran is responsible of this terrorist attack. The continuation of terrorist actions towards the Kingdom of Saudi Arabia and the people of Yemen by this militia proves its radical ideology that aims to jeopardize the efforts of the United Nations to reach a political comprehensive solution in Yemen, and to raise regional and international tensions.

Therefore, we urge the Security Council to shoulder its responsibility and to stop the threat of this militia to the global energy security, the United Nations political process in Yemen and regional security. Moreover, the Kingdom of Saudi Arabia will spare no efforts to protect its territory and citizens from such terrorist attacks in accordance with its obligations under international law.

I kindly request for the present letter to be circulated as a document of the Security Council.

(Signed) Abdallah Y. Al-Mouallimi
