Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples

Draft resolution submitted by the Chair

Question of Montserrat

The General Assembly,

Having considered the question of Montserrat and examined the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples for 2021,¹

Taking note of the working paper prepared by the Secretariat on Montserrat² and other relevant information,

Recognizing that all available options for self-determination of the Territory are valid as long as they are in accordance with the freely expressed wishes of the people of Montserrat and in conformity with the clearly defined principles contained in General Assembly resolutions [1514 \(XV\)](#) of 14 December 1960, [1541 \(XV\)](#) of 15 December 1960 and other resolutions of the Assembly,

Expressing concern that more than 60 years after the adoption of the Declaration on the Granting of Independence to Colonial Countries and Peoples,³ there still remain 17 Non-Self-Governing Territories, including Montserrat,

Conscious of the importance of continuing the effective implementation of the Declaration, taking into account the target set by the United Nations to eradicate colonialism by 2030 and the plan of action for the International Decades for the Eradication of Colonialism,⁴

Recognizing that the specific characteristics and the aspirations of the people of Montserrat require flexible, practical and innovative approaches to the options for

self-determination, without any prejudice to territorial size, geographical location, size of population or natural resources,

Convinced that the wishes and aspirations of the people of the Territory should continue to guide the development of their future political status and that referendums, free and fair elections and other forms of popular consultation play an important role in ascertaining the wishes and aspirations of the people,

Concerned by the use and exploitation of the natural resources of the Non-Self-Governing Territories by the administering Powers for their benefit, by the use of the Territories as international financial centres to the detriment of the world economy and by the consequences of any economic activities of the administering Powers that are contrary to the interests of the people of the Territories, as well as to resolution [1514 \(XV\)](#),

Convinced that any negotiations to determine the status of the Territory must take place with the active involvement and participation of the people of the Territory, under the auspices of the United Nations, on a case-by-case basis, and that the views of the people of Montserrat in respect of their right to self-determination should be ascertained,

Noting the continued cooperation of the Non-Self-Governing Territories at the local and regional levels, including participation in the work of regional organizations,

Mindful that, in order for the Special Committee to enhance its understanding of the political status of the people of Montserrat and to fulfil its mandate effectively, it is important for it to be apprised by the United Kingdom of Great Britain and Northern Ireland as the administering Power and to receive information from other appropriate sources, including the representatives of the Territory, concerning the wishes and aspirations of the people of the Territory,

Aware of the importance both to Montserrat and to the Special Committee of the participation of elected and appointed representatives of Montserrat in the work of the Committee,

Recognizing the need for the Special Committee to ensure that the appropriate bodies of the United Nations actively pursue a public awareness campaign aimed at assisting the people of Montserrat with their inalienable right to self-determination and in gaining a better understanding of the options for self-determination, on a case-by-case basis,

Mindful, in that connection, that the holding of regional seminars in the Caribbean and Pacific regions and at Headquarters, with the active participation of representatives of the Non-Self-Governing Territories, provides a helpful means for the Special Committee to fulfil its mandate and that the regional nature of the seminars, which alternate between the Caribbean and the Pacific, is a crucial element in the context of a United Nations programme for ascertaining the political status of the Territories,

Recalling the Caribbean regional seminar on the theme “Implementation of the Third International Decade for the Eradication of Colonialism: accelerating decolonization through renewed commitment and pragmatic measures”, held by the Special Committee in Grand Anse, Grenada, and hosted by the Government of Grenada from 2 to 4 May 2019, as a significant and forward-looking event, which enabled the participants to assess progress made and address challenges faced in the decolonization process, review the existing working methods of the Committee and renew its commitment to implementing its historic task,

Recalling also the importance of the conclusions and recommendations adopted by the seminar, which were annexed to the report of the Special Committee for 2019⁵ and which outlined the findings of the seminar, including, especially, the way forward for the decolonization process within the context of the proclamation by the General Assembly of the period 2011–2020 as the Third International Decade for the Eradication of Colonialism,⁶

Mindful that the 2021 Caribbean regional seminar, originally scheduled to be convened in Dominica, from 19 to 21 May 2021, has been rescheduled to be held from 25 to 27 August 2021,

Recalling the statements made by the Premier of Montserrat before the Special Committee in June 2018 and at the 2018 Pacific regional seminar, in which he expressed the view that the previous request made for the removal of Montserrat from the agenda of the Special Committee should be reversed,

Recalling also the information provided by the Premier that Montserrat could not achieve its development goals if its economic dependency continued, compounded by ongoing financial challenges, and that securing funding for rebuilding key infrastructure lost and helping evacuees from the 1995 volcanic crisis required an intervention from the Special Committee as a neutral partner,

Noting with appreciation the contribution to the development of some Territories by the specialized agencies and other organizations of the United Nations system, in particular the Economic Commission for Latin America and the Caribbean, the Economic and Social Commission for Asia and the Pacific, the United Nations Development Programme and the World Food Programme, as well as regional institutions such as the Caribbean Development Bank, the Caribbean Community, the Organisation of Eastern Caribbean States, the Pacific Islands Forum and the agencies of the Council of Regional Organizations in the Pacific,

Noting with concern the continuing consequences of the 1995 volcanic eruption, which led to the evacuation of three quarters of the population of the Territory to safe areas of the island and to areas outside the Territory and which continues to have enduring consequences for the economy of the island,

Acknowledging the continuing assistance provided to the Territory by States members of the Caribbean Community, in particular Antigua and Barbuda, which has offered safe refuge and access to educational and health facilities, as well as employment for thousands who have left the Territory,

Noting the continuing efforts of the administering Power and the territorial Government to deal with the consequences of the volcanic eruption,

Recalling the importance of improving the infrastructure and accessibility of Montserrat, as conveyed by the Premier of Montserrat to the Chair of the Special Committee in their meeting on 11 May 2015,

Stressing the importance of regional ties for the development of a small island Territory,

Cognizant of the Territory's membership in the Caribbean Overseas Countries and Territories Council,

Recalling the elections in the Territory that were held in November 2019,⁷

Welcoming the dispatch of a United Nations visiting mission to Montserrat in December 2019,

Welcoming also the cooperation of the administering Power in facilitating the dispatching of the visiting mission,

Having examined the report of the visiting mission,⁸

Recalling its resolutions [74/270](#) of 2 April 2020, entitled “Global solidarity to fight the coronavirus disease 2019 (COVID-19)”, [74/274](#) of 20 April 2020, entitled “International cooperation to ensure global access to medicines, vaccines and medical equipment to face COVID-19”, [74/306](#) of 11 September 2020, entitled “Comprehensive and coordinated response to the coronavirus disease (COVID-19) pandemic”, [74/307](#) of 11 September 2020, entitled “United response against global health threats: combating COVID-19”, [75/156](#) of 16 December 2020, entitled “Strengthening national and international rapid response to the impact of the coronavirus disease (COVID-19) on women and girls”, and [75/157](#) of 16 December 2020, entitled “Women and girls and the response to the coronavirus disease (COVID-19)”, as well as other relevant resolutions,
