Promoting investments for sustainable development

Note by the Secretariat

1. The General Assembly, in paragraph 32 of its resolution [75/207](#) on promoting investments for sustainable development, adopted on 21 December 2020, requested the Secretary-General, in collaboration with the secretariat of the United Nations Conference on Trade and Development, to inform the Assembly at its seventy-sixth session of the implementation of the resolution, based on their ongoing research, through a dedicated section of the *World Investment Report*, with a special focus on how to overcome the impacts of the coronavirus disease (COVID-19) pandemic on promoting investments for sustainable development as well as concrete recommendations, including on strategic sectors to invest for the implementation of the 2030 Agenda for Sustainable Development.

2. Pursuant to that request, a dedicated chapter has been included in the *World Investment Report 2021: Investing in Sustainable Recovery* (UNCTAD/WIR/2021). The Secretariat therefore has the honour to refer the Assembly to chapter IV of that report.¹

* Reissued for technical reasons on 28 September 2021.
