TO THE WORLD VETERANS FEDERATION

The following message from UN Secretary-General Dag Hammarskjold to the Eighth General Assembly of the World Veterans Federation was read to the Assembly in Rome today by Lieut. General E. L. M. Burns, Commander of the United Nations Emergency Force:

"I am happy to have the opportunity to convey to you, through General Burns, my good wishes for the success of the Eighth General Assembly of the World Veterans Federation. The cooperation of nongovernmental organizations is essential to the proper attainment of many of the objectives of the United Nations, and your Federation, with its wide and significant membership, consistently provides important support for United Nations programs and objectives.

"The work of this Assembly, I am sure, will contribute to the fulfillment of those vital aims which our two organizations have in common."
