**Assemblée générale**  
Point 144 de l'ordre du jour  
**Question de Chypre**

**Conseil de sécurité**  
**Soixante-seizième année**

**Lettre datée du 29 octobre 2021, adressée au Secrétaire  
général par le Représentant permanent de Chypre  
auprès de l'Organisation des Nations Unies**

D'ordre de mon gouvernement, j'ai l'honneur de vous faire tenir ci-joint, dans six documents distincts, la liste des violations de l'espace aérien de Chypre et de la réglementation internationale de la circulation aérienne dans la région d'information de vol de Chypre commises par la Turquie et celle des cas d'utilisation illégale, par ce pays, de ports et d'aéroports chypriotes fermés, pendant les mois de juin, juillet, août 2021 (voir annexes I à VI)\*.

L'aviation civile internationale reste confrontée à une situation où l'un des États membres de l'Organisation de l'aviation civile internationale (OACI), à savoir la Turquie, ne respecte pas les dispositions fondamentales de la Convention relative à l'aviation civile internationale et de ses annexes, ce qui fait peser des risques sur la navigation aérienne internationale. La Turquie continue, par des appels radios, de harceler systématiquement les appareils civils et militaires circulant à l'intérieur de la région d'information de vol de Nicosie. Par ailleurs, le régime sécessionniste qu'elle a mis en place dans la partie de Chypre se trouvant sous son occupation militaire illégale a reçu l'ordre de publier six « avis aux navigateurs aériens » concernant des manœuvres organisées par l'armée de l'air turque.

Par ces actes, la Turquie vise à porter atteinte à la souveraineté de Chypre, à accentuer la division de fait de l'île et à renforcer le statut du régime d'occupation en alléguant l'existence d'un espace aérien distinct au-dessus du territoire occupé de Chypre. En fait, ces actes s'inscrivent dans un schéma systématique et constant de violations illégales de la souveraineté et de l'intégrité territoriale de Chypre.

Malheureusement, et malgré les messages clairs lancés en juillet dernier par le Conseil de sécurité, l'agressivité de la Turquie et son mépris persistant du droit international ont récemment atteint de nouveaux sommets d'audace irresponsable et provocatrice :

a) Le 3 octobre 2021, deux navires de guerre turcs ont harcelé le bâtiment hydrographique « NAUTICAL GEO », dûment autorisé à exercer ses activités par les autorités compétentes de Chypre, et l'ont empêché d'effectuer une étude sur le tracé

\* Les annexes sont distribuées uniquement dans la langue de l'original.

du projet de gazoduc « EastMed », un projet énergétique qui revêt une grande importance dans la région et qui a été reconnu projet d'intérêt commun par l'Union européenne.

b) Le 13 octobre 2021, le régime d'occupation turc a lancé des travaux d'infrastructure à grande échelle dans la « zone pilote » de la ville clôturée de Varosha, au mépris total de l'appel clair lancé en juillet dernier par le Conseil de sécurité (S/PRST/2021/13), qui demandait à la partie turque de mettre fin aux violations du statu quo à Varosha et de revenir sur les mesures qu'elle avait prises.

c) Le 15 octobre 2021, le régime sécessionniste de la zone occupée de Chypre a « accordé » aux forces d'occupation turques un terrain de 145 kilomètres carrés dans la péninsule de Karpas, qui appartient légalement aux personnes déplacées chypriotes grecques, aux fins, semble-t-il, de la construction d'une base navale turque. Une telle mesure, qui viendrait s'ajouter à l'exploitation illégale de la base de drones turque située dans la zone occupée de Chypre, serait une étape de plus dans le programme déstabilisateur d'hégémonie militaire que la partie turque poursuit en Méditerranée orientale.

Les actes de déstabilisation de la Turquie sur le terrain se doublent d'une rhétorique agressive, qui consiste généralement à lancer des accusations fallacieuses précisément contre les cibles visées par le comportement agressif de la Turquie, à s'opposer, par des arguments spécieux, aux résolutions du Conseil de sécurité de l'ONU, que la Turquie juge caduques au simple motif qu'elles ne correspondent pas à son point de vue, et à demander à la communauté internationale de « regarder en face les réalités sur le terrain ».

Il va de soi que les « réalités sur le terrain » dont parle la Turquie se rapportent en fait à la situation qu'elle a créée à Chypre par le recours à la force, en violation de l'Article 2 de la Charte des Nations Unies, ainsi qu'à l'occupation militaire d'un tiers du territoire de la République de Chypre. La Turquie exige que la communauté internationale reconnaisse les changements découlant de l'agression, conformément à la doctrine révolue du droit de conquête, et déclare ouvertement qu'elle continuera à violer les résolutions du Conseil de sécurité, au mépris total de l'Article 25 de la Charte.

Le Conseil de sécurité doit affirmer ses résolutions et s'employer à les faire prévaloir, faute de quoi la crédibilité du système international serait compromise.

En dépit de tous les obstacles, nous restons attachés à un règlement reposant sur le principe d'une fédération bizonale et bicommunautaire dotée de l'égalité politique, telle que défini dans de nombreuses résolutions du Conseil de sécurité. À cet égard, nous nous félicitons de la persistance et de la détermination avec laquelle vous soutenez les efforts entrepris en faveur d'une reprise des négociations officielles, telles qu'exprimées dans vos derniers rapports au Conseil de sécurité.

Je vous serais reconnaissant de bien vouloir faire distribuer le texte de la présente lettre et de ses annexes comme document officiel de la soixante-seizième session de l'Assemblée générale, au titre du point 44 de l'ordre du jour, et du Conseil de sécurité.

Veuillez agréer, Monsieur le Secrétaire général, les assurances de ma très haute considération.
