RESTORATION OF THE LAWFUL RIGHTS OF THE PEOPLE'S
REPUBLIC OF CHINA IN THE UNITED NATIONS

Belgium, Bolivia, Brazil, Chile, Italy and
Trinidad and Tobago: draft resolution

The General Assembly,

Having considered the question of the representation of China,

Believing that a solution of the question of Chinese representation, which accords with the principles of the Charter of the United Nations and the aim of universality, would further the purposes of the United Nations and strengthen its ability to maintain international peace and security,

Believing that the complexities of this question require the most searching consideration in order to pave the way to an appropriate solution, taking into account the existing situation and the political realities of the area,

1. Decides to establish a Committee of ... Member States, to be appointed by the General Assembly, with the mandate of exploring and studying the situation in all its aspects in order to make the appropriate recommendations to the General Assembly at its twenty-second session for an equitable and practical solution to the question of the representation of China in the United Nations, in keeping with the principles and purposes of the Charter;

2. Appeals to all Governments concerned to give assistance to the Committee in its search for such a solution.
