COMMITTEE FOR ITALIAN SOMALILAND

DRAFT REPORT OF THE COMMITTEE TO THE TRUSTEESHIP COUNCIL

Rapporteur: Mr. J.D.Ingles (Philippines)

1. The Committee for Italian Somaliland, composed of the representatives of the Dominican Republic, France, Iraq, the Philippines, the United Kingdom of Great Britain and Northern Ireland and the United States of America, was established by Resolution 112 (II-S) adopted by the Trusteeship Council at the third meeting of its Second Special Session, on 9 December 1949 (T/422).

2. The Committee was entrusted with the task of seeking agreement on the text of a draft Trusteeship Agreement, drawn up in accordance with Section B of Resolution A on the Question of the Disposal of the Former Italian Colonies adopted by the General Assembly on 21 November 1949 [Resolution 289 (IV)] taking into account such draft as Italy might care to propose. The Committee was further empowered to allow representatives of local opinion, such as representatives of political parties and other organizations in Somaliland, to express their views before it if they so desired. Finally, the Committee was instructed to submit its report, including the draft text of a Trusteeship Agreement, if possible by the beginning of the Sixth Regular Session of the Council (T/422).

3. The Committee held its first meeting at Lake Success on 13 December 1949 and re-assembled at Geneva on 9 January 1950. The Committee held seventeen

meetings between 13 December 1949 and 19 January 1950. At its first meeting, the Committee elected Mr. M. HENRIQUEZ-URENA (Dominican Republic) as its Chairman and Mr. EVANGELISTA (Philippines) as its Rapporteur; subsequently, Mr. J.D. INGLES replaced Mr. EVANGELISTA.

4. In accordance with the decision taken by the Trusteeship Council on 8 December 1949, the representative of Italy was invited to take part in the work of the Council, without the right to vote, in view of the fact that Italy had been designated by the General Assembly as the Administering Authority for the Territory and that the Council was requested under the terms of Resolution 289 (IV) of 21 November 1949, to negotiate a trusteeship agreement with Italy (T/PV.195). Following the requests made by the representatives of Egypt, Ethiopia and Colombia, the Council decided to invite the representatives of the three above-mentioned States to participate, without the right to vote, in the discussions concerning the Trusteeship Agreement for the Territory (T/PV.196). The representative of India was also invited to take part in the work of the Council or any of its committees insofar as the work dealt with the general principles of the constitution of the Trust Territory (T/PV.196). Consequently, the representatives of Italy, Egypt, Ethiopia and Colombia took part in the deliberations of the Committee. The representative of India, however, attended only the first meeting. A representative of the International Labour Organization was admitted to the meetings of the Committee held at Geneva (T/AC.18/SR.2).

5. Two complete drafts of a Trusteeship Agreement and a Declaration of Constitutional Principles for the Territory were submitted by the Italian Government (T/429) and by the delegation of the Philippines (T/440, T/440/Corr.1, T/440/Corr.1/Add.1 and T/440/Corr.1/Add.2). The representative of the Dominican Republic submitted a paper containing bases and suggestions for the Trusteeship Agreement concerning Somaliland (T/AC.18/L.3.). The representative of Iraq submitted a draft proposal for an Educational Annex to be appended to the Trusteeship Agreement (T/AC.18/L.6). Subsequently, the representative of Iraq agreed, and the Committee decided to include in the text of the Agreement certain provisions of his proposed Annex.

6. The Committee examined in great detail the three drafts of the proposed Trusteeship Agreement and agreed on a combined text. In consideration of the Declaration of Constitutional Principles to be annexed to the Trusteeship Agreement, the Committee was guided by the Annexure proposed by the Delegation of India (T/420). The Committee also succeeded in reaching agreement on a combined text of a Declaration of Constitutional Principles, to be annexed to the Trusteeship Agreement as an integral part thereof.

7. No representative of Somali political parties or organizations appeared before the Committee to express their views on the draft Trusteeship Agreement.

8. The representative of the United Kingdom requested that the following statements be included in the Rapporteur's Report:

(i) With respect to Art. 1 of the draft Agreement:

"I have listened with interest to the observations of the distinguished representative of Ethiopia. I was under the impression that, generally speaking, the drafting of this Article relating to the frontiers was generally acceptable to him. As I have already indicated, I am advised that this Article is a correct statement of the position and my delegation is prepared to support it in this form for submission to the Trusteeship Council. However, in view of the reservations which have been made by the distinguished representative of Ethiopia, I wish to reserve, on behalf of my delegation, the right to revert to this matter again at a later stage should it become necessary."

(ii) With respect to paragraph 2 of Art. 21:

"You will recall that, when the distinguished representative of the United States of America proposed, as an alternative form of paragraph 2 of Article 21, the text which is now before us, I reserved the position of my delegation.

My delegation has no objection to the form of words proposed by

the United States delegation but, for reasons which I indicated at an earlier meeting of the Council at Lake Success at which the question of Italian Somaliland was considered, my Government regards it as most important and, indeed, as essential for climatic reasons that, as was clearly the intention of the General Assembly, the Italian Government should take over the administration of the Territory as soon as may be practicable.

We are encouraged by the progress that has been made in this Committee and we feel confident that the Trusteeship Council will be able to give its approval to this draft Agreement at a very early date.

In the meantime, however, my Government will interpret this subparagraph, and in particular the last sentence thereof, as authorizing provisional arrangements to be made between His Majesty's Government and the Italian Government for "the orderly transfer of administration." As members of the Committee will appreciate, it is impossible to ensure this orderly transfer without a considerable amount of planning and preparatory work. Such a transfer cannot occur in a day or a week or even a month. To this end, talks between representatives of His Majesty's Government and Italian representatives are being held in Rome to consider preparatory arrangements for the due implementation of the General Assembly Resolution."

9. The representative of Italy requested that the following statements be included in the Rapporteur's Report:

(1) On the question of boundaries:

"I have already explained the position of my Government on the question of boundaries. Our task in that question, and indeed in any future negotiation, shall be only, in accordance with the aim of the trusteeship we are accepting, the best protection of the interests of the Somali people. The boundary between the future Somali independent State and Ethiopia shall be delimited in such a way as to ensure peaceful relations and good-neighbourship between Somalia and Ethiopia. In that spirit I associate myself with our distinguished colleague from the United Kingdom, whose reservations may be considered as done by

the Italian delegate too."

(ii) On the Advisory Council:

"It is understood, as far as Italy is concerned, that the discussion of the plans (Art.8) by the Advisory Council may concern also the financial side of each plan."

(iii) On Human Rights:

"I may assure the distinguished delegate from the Philippines that the whole matter dealt with in the seven points of the second part of his suggested amendment is covered entirely by the Italian Constitution and legislation in force."

10. The representative of the Philippines requested that the following statement by the representative of Italy be included in the Rapporteur's Report.

On maintenance of forces in the Territory, 12 January 1950 (T/AC.18/SR.6):

"Replying to the hopes expressed by the Ethiopian representative, he (the representative of Italy) declared that Italy gave the formal undertaking that she had no intention of sending a larger metropolitan force to the Trust Territory than that at present maintained by the British Military Administration in Somaliland. Indeed, Italy would be happy if it proved possible to manage with less."

11. During the discussion of the draft agreement two proposals were made by the representatives of the United Kingdom and Italy respectively.

The proposal by the United Kingdom reads as follows: "The Administering Authority shall apply to the Territory the provisions of Articles 75, 76, 78, 81, 83 (which should also be applicable to disputes arising under Article 76) and 84 and Annex XV of the Treaty of Peace with Italy insofar as these provisions are appropriate, it being understood that the time-limit prescribed in these provisions shall be calculated from the date of the assumption by Italy of the provisional administration of the Territory."

The proposal by Italy reads: "The Administering Authority shall include in its first annual report to the Trusteeship Council a report on the position in the Territory of property belonging to nationals, associations and companies of States Members of United Nations."

The Committee decided to defer consideration of both proposals and submit them to the Council for final examination and decision.

12. As the representative of Italy signified the approval of the Italian Government to the text of the draft Trusteeship Agreement elaborated by the Committee, the Committee, subject to reservations and observations contained in paragraphs 8, 9 and 11 above, unanimously recommends to the Trusteeship Council the approval of the following draft Trusteeship Agreement for the Territory formerly known as Italian Somaliland:
