(a) Tanganyika

One communication referring to the writer's petition T/PET.2/213, which was examined at the twenty-first session of the Council. In its resolution 1787 (XXI), the Council drew the petitioner's attention to the observations of the Administering Authority, which stated, inter alia, that "owing to his history of drink and mental illness, he the petitioner Mr. Wenceslas Lulanika⁷ was not re-employed by the Mission. Recently there has been a recurrence of the condition which led to his admission to the mental hospital in 1956, and at the present time the question of re-certifying him for admission to Mirembe is being considered".

One communication from Mr. George Bettalo whose earlier communication dated 30 June 1957 was considered manifestly inconsequential. The present communication relates to "the claims of the Bungodimwe Kingdom".

(b) Cameroons under British administration

One communication "from various inhabitants of the British Cameroons Trusteeship Agreement Territories, Buea, Victoria, Kumba, Tiko, Bamenda, Labourers under C.D.C. and Mamfe" but signed by only one person, John Tainnen. The text would seem to be a criticism of Dr. Endeley, Prime Minister of the Cameroons under British administration and against the integration of the Territory into the Federation of Nigeria.

(c) Cameroons under British administration and Cameroons under French administration

One very brief cable which speaks of "evils".

One letter which suggests that MM. Endeley and Mbida could serve for the next thirty years; also copy of a letter referring to the aims of the KNDP and of the UPC.

One communication in which the author states that he is opposed to the stand taken by the "Grassfields" (Bamilékés); he adds that he has nothing to say against the two Governments.

(d) Togoland under French administration

One communication from a Togolander living in Paris since 1921 and setting forth the author's claim to the "throne" of Togoland. Two previous communications from this person have been reproduced as documents T/PET.7/L.21 and Add.1 in 1956 and 1957 and taken into account at the sixth special session of the Trusteeship Council and at the eleventh regular session of the General Assembly in connexion with the examination of conditions in the Territory.
