The Trusteeship Council,

Gravely concerned at the action which has been taken and announced by the

Considering that such action is in obvious contradiction with the General  
Assembly resolution of 9 December 1949,

Requests the Secretary-General to communicate, as soon as possible, to all  
states members of the United Nations the fact that Israel is violating the  
resolution of the General Assembly of 9 December 1949.
