2. Estimates of the Revenue and Expenditure of Tanganyika Territory for the year 1948, as passed by Legislative Council.
3. Report on the Accounts and Finances of Tanganyika Territory for the financial year 1944.

Some figures have been computed by the Secretariat from those given in these official sources. All percentages have been computed by the Secretariat.

While great care has been taken to ensure accuracy, some errors may have occurred on account of the limited time within which this work had to be done.
