## Human rights of migrants

### Note by the Secretariat

1. The Human Rights Council, in paragraph 19 (c) of its resolution [53/24](#), adopted on 13 July 2023, requested the Office of the United Nations High Commissioner for Human Rights (OHCHR) to convene a half-day intersessional panel discussion on avenues to prevent and address human rights violations and abuses against migrants in transit and to ensure access to justice for victims and family members, including through monitoring at international borders, highlighting best practices and challenges in that regard. The Council also requested OHCHR to prepare a summary report on the panel discussion and to submit it to the Council at its fifty-seventh session and to the General Assembly at its seventy-ninth session.

2. Pursuant to that request, the report to the Human Rights Council is contained in document [A/HRC/57/32](#). The Secretariat has the honour to refer the General Assembly to that report.
