## Seventy-ninth session

Item 71 (b) of the provisional agenda\*

**Promotion and protection of human rights: human rights questions, including alternative approaches for improving the effective enjoyment of human rights and fundamental freedoms**

### Right to development

#### Note by the Secretariat

1. The General Assembly, in its resolution [78/203](#), requested the Secretary-General to submit a report to the Assembly at its seventy-ninth session and an interim report to the Human Rights Council at its fifty-seventh session on the implementation of the resolution.
2. The Human Rights Council, in its resolution [54/18](#), requested the United Nations High Commissioner for Human Rights to continue to submit to the Council an annual report on the activities of the Office of the High Commissioner, including on inter-agency coordination within the United Nations system that had direct relevance to the realization of the right to development.
3. In accordance with the practice established because of the timing of the reporting cycle, each year the Secretary-General and the High Commissioner submit a consolidated report on the right to development to both the General Assembly and the Human Rights Council. That report is contained in document A/HRC/57/24. The Secretariat therefore has the honour to refer the Assembly to that report.
