Seventy-ninth session

Agenda item 96

Prevention of an arms race in outer space

Russian Federation:* amendment to draft resolution I recommended in the report of the First Committee ([A/79/406](#))

Weapons of mass destruction in outer space

After operative paragraph 6, insert a new operative paragraph reading:

Calls upon all States, and above all those with major space capabilities:

- (a) To take urgent measures to prevent for all time the placement of weapons in outer space and the threat or use of force in outer space, from space against Earth and from Earth against objects in outer space;
- (b) To seek through negotiations the early elaboration of appropriate reliably verifiable legally binding multilateral agreements;

* Any changes to the list of sponsors will be reflected in the official record of the meeting.
