Comments of the Government  
(Communication dated 21 October 1960)

"This information, as it concerns Israel, relates to drawings of swastikas, and was not included in the Ministry's note of 28 July..... with respect to resolution 6 (XVI) on Manifestations of Anti-Semitism and Other Forms of Racial Prejudice and Religious Intolerance of a Similar Nature (see document E/CN.4/Sub.2/208), because Police investigation had shown that these isolated incidents were not manifestations of anti-semitism or any other form of racial prejudice or religious intolerance, and are therefore to be distinguished from such manifestations in other countries, directed against a minority."
