Scale of assessments for the apportionment of the expenses of the United Nations

Draft resolution submitted by the Chairman following informal consultations

Scale of assessments for the apportionment of the expenses of the United Nations

The General Assembly,

Having considered the report of the Committee on Contributions,¹

1. *Recalls* its resolution 55/5 A of 26 October 2000;
2. *Requests* the Secretary-General to update the information contained in the annexes to his report on the application of Article 19 of the Charter of the United Nations;²
3. *Recognizes* that multi-year payment plans, subject to careful formulation could be helpful in allowing Member States to demonstrate their commitment under Article 19 of the Charter to pay off their arrears, thereby facilitating consideration of applications for exemption by the Committee on Contributions, and requests the Secretary-General to propose guidelines for such multi-year payment plans through the Committee on Contributions;
4. *Recognizes also* that it would be helpful for the Secretariat to be equipped with input from Member States on a schedule of payments or other information about their intentions to clear their accumulated arrears, and encourages Member States in a position to do so to provide such information;
5. *Urges* all Member States to pay their assessed contributions in full, on time and without imposing conditions, in order to avoid difficulties being experienced by the United Nations;

¹ *Official Records of the General Assembly, Fifty-sixth Session, Supplement No. 11* and addendum and corrigendum (A/56/11 and Add.1 and Add.1/Corr.1).

² A/55/789.

6. *Requests* the Secretary-General to propose or consider further measures to encourage Member States in arrears to reduce and eventually pay their arrears and to report thereon to the General Assembly during the main part of its fifty-seventh session for subsequent consideration at its resumed fifty-seventh session.
