Statement on Jammu and Kashmir adopted by the OIC Contact Group on Jammu and Kashmir at its meeting during the 58th Session of the United Nations Commission on Human Rights in Geneva, April 9 2002

The OIC Contact Group on Jammu and Kashmir which met on the occasion of the 58th Session of the United Nations Commission on Human Rights, expressed its deep concern over the situation of Human Rights in Jammu and Kashmir. The Group noted reports of intensification of gross and consistent human rights violations.

The Meeting was guided by all OIC Summit and Ministerial Declarations and Resolutions on Jammu and Kashmir.

The Meeting recalled UN Security Council resolutions 47 (1948), 51 (1948), 80 (1950), 91 (1951) as well as the United Nations Commission for India and Pakistan resolutions of 13 August 1948 and 5 January 1949 that stipulate that the final disposition of the State of Jammu and Kashmir will be made in accordance with the will of the people expressed through the democratic method of a free and impartial plebiscite conducted under the auspices of the United Nations.

The Meeting called for an immediate end to the gross and consistent violations of human rights and, in this regard, reiterated the determination of the OIC Member States to continue their efforts for the full protection of the fundamental human rights of the people of Jammu and Kashmir. It called for grant of access to international human rights bodies, the special mechanisms of CHR, and international media in Jammu and Kashmir to regularly monitor the Human Rights situation.

The Meeting also expressed its concern at attempts to misuse the tragic events of September 11 to further intensify the suppression of the struggle for self-determination of the Kashmiri people by denigrating it as terrorism. It noted with concern the tense security situation in South Asia resulting from the mobilization of armed forces in battle ready positions on Pakistan's border and also the Line of Control. It appreciated the restraint exercised by Pakistan in this regard and called for urgent reversal of the military mobilization and immediate commencement of a dialogue between Pakistan and India.

The Meeting expressed support for Pakistan's repeated offer of talks to India. The Contact Group conveyed their support for the efforts of the Government of Pakistan to resolve through a substantial and meaningful dialogue the Jammu and Kashmir dispute which is the basic cause of tension between India and Pakistan.

The Meeting affirmed once again the commitment of the OIC to promote a just and peaceful solution to the Jammu and Kashmir dispute in accordance with the United Nations resolutions and expressed their resolve to seek the effective realization of the right of self-determination of the Kashmiri people.

The Meeting took note of the Memorandum presented by the True Representatives of the Kashmiri people to the OIC Contact Group and decided to transmit it, along with the Statement adopted at the meeting, to the 58th UNHCR to be adopted and circulated as official documents.

Appreciating the restraint exercised by Pakistan in the face of Indian military mobilization and provocative rhetoric;

- ii) Impress upon the Indian government to desist from staging and imposing a farcical political process in Indian occupied Kashmir.
- iii) Once again remind the Indian government that in Resolutions 91 (1951) and 122 (1957), the UN Security Council unambiguously affirmed that 'any action that (the Indian Government) may have taken, or might attempt to take to determine the future shape and affiliation of (Jammu and Kashmir) would not constitute a disposition of the State'.
- iv) Reject past, present and future Indian efforts to impose sham and farcical elections on the people of Jammu and Kashmir since these are not a substitute for the free and fair plebiscite under UN auspices prescribed by the Security Council as the means through which the Kashmiri people are to exercise their right to self-determination;

- xi) Reject Indian attempt to misuse the September 11, tragedy to suppress the legitimate Kashmiri freedom struggle by denigrating it as terrorism, and condemning the campaign of intensified repression unleashed by India against the Kashmiri people and leadership;
