QUESTION OF A CONVENTION ON THE RIGHTS OF THE CHILD

Revised proposal submitted by Algeria, Iran, Netherlands,
Morocco, Sweden and the United Kingdom

Article 12

"States Parties shall promote in the spirit of international co-operation the exchange of information in the field of preventive health care and of medical, psychological and functional treatment of disabled children, including dissemination of and access to information concerning methods of rehabilitation education and vocational services, with the aim of enabling States Parties to improve their capabilities and skills and to widen their experience in these areas. In this regard, particular account shall be taken of the needs of developing countries."
